

A GUIDE TO THE "PHASES" IN MICHIGAN

WHEN CAN I GET THE COVID-19 SHOT?

Information from: [Michigan Medicine](#)

This information might change. We are always learning new things about COVID-19. To see new information, go to the [Michigan Department of Health](#), the [World Health Organization](#) (WHO), and the [CDC](#).

PHASE 1A AND 1B ARE NOW

PHASE 1A

The very highest-risk people only

Doctors, nurses, medical workers, people in nursing homes

PHASE 1B

Higher-risk and "frontline" people only

Frontline workers ([click here to learn if you are a frontline worker](#)) who must work with people.

Anybody older than 75.

PHASE 1C STARTS MARCH 22

PHASE 1C

All high-risk people

Age 16+ with another health condition.

Everybody age 50+

PHASE 2 STARTS APRIL 5

PHASE 2

All adults

Everybody age 16+
